Grant Thornton

Assurance

Services in Saudi Arabia

Saudi Arabia is entering a decisive phase of economic transformation.

As Vision 2030 accelerates market development, regulatory expectations are increasing, capital markets are maturing, and stakeholders are demanding greater transparency, accountability, and trust.

In this environment, assurance is no longer a compliance exercise. It is a critical enabler of confidence, supporting informed decision-making, strengthening governance, and enhancing credibility with investors, regulators, and stakeholders.

Organisations operating in the Kingdom are under growing pressure to demonstrate financial integrity, operational discipline, and regulatory compliance, while navigating increasingly complex reporting frameworks and scrutiny.

Delivering Confidence Through Assurance

We support corporates, family businesses, listed entities, government institutions, and high-growth organisations in delivering high-quality, independent assurance that goes beyond financial statements..

Our approach combines:

- Deep local market understanding
- Strong regulatory insight
- Global audit methodology
- Hands-on, partner-led delivery

We focus not only on compliance with professional standards, but also on providing meaningful insights into performance, risk, and opportunities for improvement.

End-to-End Assurance Services

Grant Thornton delivers assurance services with a focus on quality, insight, and stakeholder confidence.

Our experienced professionals provide comprehensive support across financial reporting, regulatory compliance, and specialised assurance requirements, helping organisations build trust and operate with clarity in an evolving Saudi landscape.

Audit & Financial Reporting Assurance

Independent, high-quality audit services designed to enhance credibility and meet regulatory expectations.

- External Audit
- Financial Statement Audit (IFRS & local frameworks)
- Review & Compilation Engagements
- Agreed-Upon Procedures (AUP)
- Group Audit & Consolidation Support

We deliver robust, risk-focused audits that provide assurance over financial integrity while identifying areas for operational and financial improvement.

Specialised Assurance

Targeted assurance services addressing specific regulatory and strategic requirements.

- Local Content (IKTVA / LC) Audits
- ESG & Sustainability Assurance
- Regulatory Compliance Attestations
- Special Purpose Reports

As Saudi Arabia strengthens its regulatory frameworks, specialised assurance is becoming critical to demonstrating compliance and supporting national priorities.

Financial Reporting & Accounting Advisory

Supporting finance teams in navigating complex reporting requirements and accounting changes.

- IFRS Advisory & Implementation
- Accounting Policy Design
- Financial Reporting Optimisation
- Audit Readiness Support

We work closely with CFOs and finance teams to enhance the quality, consistency, and transparency of financial reporting.

Quality & Governance Assurance

Strengthening internal frameworks to support sustainable growth and regulatory alignment.

- Internal Controls Reviews
- Governance Framework Assessments
- Risk & Compliance Alignment
- Audit Committee Support

Our approach helps organisations enhance accountability, improve oversight, and build confidence with regulators and stakeholders.

Our Approach to Assurance

We approach every engagement with:

Clarity – simplifying complex technical requirements into practical insights
Rigour – applying global standards with disciplined execution
Collaboration – working closely with management and stakeholders
Insight – going beyond compliance to highlight risks and opportunities

Our assurance methodology is aligned with international quality standards and supported by a robust global quality monitoring programme, ensuring consistency and excellence across every engagement.

More Than Compliance

Assurance today plays a central role in:

- Strengthening capital markets
- Supporting investor confidence
- Enhancing governance and transparency
- Enabling strategic decision-making

We go beyond traditional audit to provide insights that help organisations build resilience, improve performance, and create long-term value.

As highlighted in our firm profile, our assurance services are designed to **build trust, strengthen transparency, and support stakeholder confidence in a rapidly evolving regulatory environment.**

We are where you need us in Saudi Arabia and beyond.

Beyond Saudi Arabia, we are part of Grant Thornton International, a global network of 80,000 professionals across more than 156 countries. Together, we share a single purpose: to help dynamic organisations realise their ambitions, wherever opportunity takes them.

By combining global reach with deep local knowledge, we support clients as they expand across markets, enhance operational efficiency, navigate complex risks and regulations, and create sustainable stakeholder value. Through our assurance, tax, and advisory services, we deliver the insight and expertise needed to turn vision into measurable success.
