

# **IFRS Alert**

IASB issues four narrow scope amendments to IFRS Standards.

### **May 2020**

The International Accounting Standards Board (IASB) has issued a collection of narrow scope amendments to IFRS Standards.

The collection includes amendments to three Standards as well as Annual Improvements to IFRS Standards, which addresses non-urgent (but necessary) minor amendments to four standards. The Amendments issued are as follows:

- Reference to the Conceptual Framework (Amendments to IFRS 3)
- Property, Plant and Equipment: Proceeds before Intended Use (Amendments to IAS 16)
- Onerous Contracts—Cost of Fulfilling a Contract (Amendments to IAS 37)

# The four publications include narrow scope amendments to improve IFRS Standards, which are summarised as follows:

#### **Publications** issued

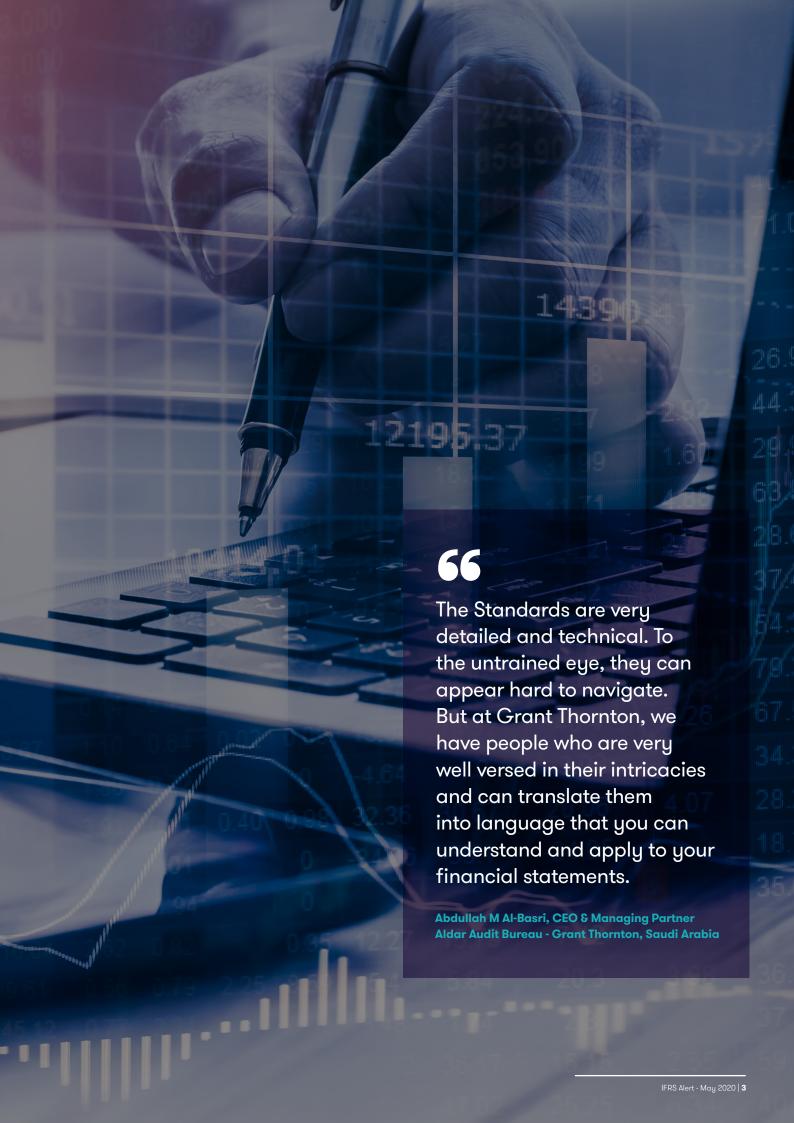

Standard affected	Subject	IA	SB's summary of amendment
IFRS 3 'Business Combinations'	References to the Conceptual Framework	•	Updates a reference in IFRS 3 to the 'Conceptual Framework for Financial Reporting' without changing the accounting requirements for business combinations.
IAS 16 'Property, Plant and Equipment'	Proceeds before Intended Use	•	Prohibits a company from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, a company will recognise such sales proceeds and related cost in profit or loss.
IAS 37 'Provisions, Contingent Liabilities and Contingent Assets'	Onerous Contracts-Cost of Fulfilling a Contract	•	Specifies which costs a company includes when assessing whether a contract will be loss-making.

Standard affected	Subject	IASB's summary of amendment
IFRS 1 'First time Adoption of International Financial Reporting Standards'	Subsidiary as a first time adopter	<ul> <li>Simplifies the application of IFRS 1 by a subsidiary that becomes a first-time adopter after its parent in relation to the measurement of cumulative translation differences.</li> </ul>
IFRS 9 'Financial Instruments'	Fees in the '10 per cent' Test for Derecognition of Financial Liabilities	<ul> <li>Clarifies the fees a company includes when assessing whether the terms of a new or modified financial liability are substantially different from the terms of the original financial liability.</li> </ul>
Illustrative Examples Accompanying IFRS 16 'Leases'	Lease Incentives	Removes potential for confusion regarding lease incentives.
IAS 41 'Agriculture'	Previously held interests in a joint operation	Removes a requirement to exclude cash flows from taxation when measuring fair value thereby aligning the fair value measurement requirements in IAS 41 with those in other IFRS Standards.

The International Financial Reporting Standards (IFRS), are a set of global accounting standards developed by the International Accounting Standards Board for the preparation of public company financial statements. With over 100 countries using them, they are fast becoming the global accounting language.

Using IFRSs can help increase the quality, comparability and transparency of your financial information and applying them correctly will increase your company's credibility and improve access to credit and investment opportunities.

Our IFRS advisers can help you navigate the complexity of the Standards so you can focus your time and effort on running your business.
