

Tax Alert

December 2021

Important notice

The official program of the Zakat, Tax and Customs Authority for the QR code Now, have released an alert to notify taxpayers that normal reading applications and phone cameras will not be usable for QR code reading. The authority has released applications which can be used to detect and scan codes. The applications available for Android and iOS operating systems can be downloaded below, with instructions from the application needed to be adhered to.

[iOS download](#)

[Android download](#)

Please adhere to the instructions

Our tax team remain available to support with your implementation and compliance requirements.
